Customizing and maintaining vendor software (WordPress, Drupal, Confluence)
API integration (Maps, Photos, Analytics, Video, Social)

Education Portland State University: Bachelor of Science in Computer Science
Benson Polytechnic High School: Electrical Engineering major, Graduated with high honors

Employment

Over 12 years experience working in higher ed:

Web Designer, Portland Community College

2005 – Present

Responsible for overseeing the development and maintenance of the main and affiliated college websites. Collaborated with employees from multiple facets of the college. Designed, developed and maintained multi-user sites built on application platforms and utilizing multiple data sources.

Web Designer, PCC Distance Education

2004 – 2005

Responsible for all site related maintenance of departmental web pages and databases.

University Studies Mentor, PSU

2002 – 2004

Worked with a new faculty partner each term to deliver sophomore level college courses.

Assistant Web Developer, PCC Distance

2000 – 2003

Assisted with the design, production and maintenance of Distance Education web sites and services.

University Studies Peer Mentor, PSU

2000 – 2002

Partnered with a faculty member to deliver yearlong, freshman level college courses.

Freelance

Occasional freelance work to hone my skills:

Metrofiets.com

2009 – Present

Custom e-commerce site for a local bicycle company that has received international attention. The site commands high traffic due to being featured in magazines (*Wired*, *Momentum*), television (*OPB*, *Discovery*), radio (*NPR*) and the web (*TreeHugger*, *Gizmodo*, *FARK*).

ArtOfObama.com

2008

Archive of user-generated artwork and graffiti supporting the presidential candidate. Featured in the *The New York Times* and other major publications.

JamesSchmidtSculpture.com

2007

Portfolio site for an artist and leading art fabricator located in the Pacific NW.

Glass Roots Innovations

2002 – 2003

Contracted to design, construct and maintain a dynamic e-commerce site.
